Subject: Submission of Expression of Interest for **“Skill Training for Prisoners of Bangladesh”**.

Dear Sir,

Good day. The Bangladesh Jail is a renowned government organization playing a key role as the rehabilitation center of the prisoners of Bangladesh. Bangladesh Jail introduced several reforms system for improving the living condition of the prisoners and ensuring their basic human rights by trained them in 38 categories including carpentry, salons, handicrafts, food products, clothing and mask clothing, jamdani sari clothing, weaving bags and embroidery products, bamboo and cotton products, electronics, machinery etc.

The Sristy Samajik Unnayan Sangstha (SSUS) a national NGO and Sustainable Research and Consultancy Limited (SRCL) a training, research, and implementation-based organization currently working jointly with a training program in different trades all over the country.

At present, the developing countries like Bangladesh need a well-diversified education system in order to gain sustainable development through technical and vocational education. Bangladesh Jail is working in this sector proudly for the prisoners by considering them a segment of the society. However, our team is also trying to develop these types of training and facility management program also.

By considering the inevitability of the issue, we hope that you will consider our proposal and provide us an opportunity to work under your supervision. Thanks in advance for your cooperation.

Sincerely Yours
