**Subject: Implementation of Fourth Industrial Revolution (4IR) in Leather Sector.**

Ref: Your expression of interest (Eol) dated: 18.10.2020

Dear Sir,

Thank you for your above mentioned expression of interest to work with BFLLEA with a view to bringing positive change in leather sector under 4<sup>th</sup> Industrial Revolution. Since the prime objective of BFLLEA is to protect and promote the interest of Leather sector in general, and that of member industries in particular, the organization welcomes proposal from donors, development partners and researchers aiming development of the sector. Leather and leathersgoods occupy important space in the fashion world which has been changing fast and frequently. To keep pace with this change modernization, automation and expansion of our leather industries can never be overemphasized. Fourth industrial revolution, as naturally expected, can play a vital role to fulfill these requirements.

You are, therefore, requested to submit your detailed proposal and activity plan to be scrutinized and approved by the executive committee of this organization.

We wish your success and assure you of every possible co-operation.

Thanking you,  
Yours Sincerely,

**Md. Diljahan Bhuiyan**
