Abu Jubayer
Managing Director
Sustainable Research and Consultancy Ltd. (SRCL)
28, Kawran Bazar, Dhaka-1215.

To Whom It May Concern

Subject: Reply of submitted Expression of Interest for “Mutual Collaborative Fund-Raising Program for 4th Industrial Revolution (4IR) and Other Relevant Project Activities in Bangladesh” (Source: 10.10.2020/BFLLFEA/07).

Dear Mr. Abu Jubayer, according to our discussion (at BFLLFEA, Dhaka Office: House-32/A, Flat-B-2, R/A Rd 02, Dhaka 1205, Dated: 10.10.2020, Time: 03.30 pm) with presents of Senior Vice Chairman, EC Members and Office Secretary, we realized that, the transformation of industrial sector especially the leather and footwear sector with technologies linked to the Fourth Industrial Revolution (4IR) has become a crying need not only to turn 4IR challenges into opportunities but also to keep pace with the advanced world. Different projects related to this sector are also continuing in Bangladesh. Our technical team found your EoI and read carefully. After general discussion, we are interested to start further activities relevant to 4th IR and other projects in leather and footwear sector by making a team jointly.

Please submit your full proposal with general terms and conditions from your organization to BFLLFEA officially. We'll revise your proposal as well as presentation with our technical team and after getting clearance from EC members we'll start the further procedures to work as a team as soon as possible.

We wish your success in the long run.

Regards

Mr. Mohiuddin Ahmed Mahin
Chairman
Bangladesh Finished Leather, Leathergoods and Footwear Exporters' Association (BFLLFEA)
House-32/A, Flat-B-2, Road-02,
Dhanmondi R/A, Dhaka-1205.
