Subject: Expression of interest for a project on "Urban Fire Safety Readiness project."

Dear Sir,

Good day. The Bangladesh Fire Service and Civil Defense Department (FSCD) is a renowned Govt. organization playing a key role for Fire safety and preparedness in Bangladesh since a long time. They are supporting digital Safe Bangladesh and gaining SDG 2030. The Sustainable Research and Consultancy Ltd. (SRCL) is a training, research and implementation based organization currently working with different fire safety readiness program and activities.

At present situation, basic fire safety training for different level of stakeholders are required for safety management and minimize the loss of lives and properties during fire. FSCD is working in this sector proudly. However, our team from SRCL is trying to develop these types of training and facility management program in private sector also.

By considering the emerging issues we hope that you'll consider our proposal and provide us an opportunity to work under your supervision. Hope that, it will be a suitable opportunity for Bangladeshi youth during and after COVID situation.

Sincerely Yours
