

## **SIGNATURE PROGRAMS**

### **BUSINESS LEADERS' CARNIVAL**

BLC or Business Leaders' Carnival is the mega event at the national level in Bangladesh. It aims at inspiring and creating leadership in the business community of Bangladesh. This program is designed to take place once in a year. This is the event where business community at large gets together irrespective of industry with a view to rejuvenating knowledge, strategy, policy and approaches for business growth and expansion. The endeavor of this carnival will bring about the changes needed in the community to keep pace with the global business perspective.

Information is power. Knowledge is the tool to apply it. The carnival is the bridge between the industry, business leaders and the academia-thought leaders. Events like this carnival always create the windows of opportunity for thought provoking initiatives and actions.
